NOTIFICATION OF CONDITIONAL SELECTION OF YOUR PROPOSAL FOR THE AFRICA CENTRES OF EXCELLENCE FOR DEVELOPMENT IMPACT PROJECT

I am pleased to inform you that at the Project Steering Committee (PSC) meeting of the Africa Centres of Excellence (ACE) Project held at the Association of African Universities (AAU) in Accra, Ghana on the 2nd of November, 2018, your institution's Project titled: **Centre of Excellence for Innovative and Transformative STEM Education (CITSE)** was selected as a Centre of Excellence under the Africa Centres of Excellence for Development Impact (ACE IMPACT) Project.

The selection was based on the positive recommendations of international experts on the field after a transparent and rigorous evaluation exercise of all proposals submitted to the AAU. However, these selections are subject to final ratification by the Board of Directors of the World Bank.

Attached herewith is the evaluation feedback that details the performance of your institution's proposal and areas that need to be addressed. We expect that the ACE Management team at CITSE would work assiduously and expeditiously to address all recommendations satisfactorily.

You will be contacted in due course regarding next steps concerning your Centre of Excellence.

Once again, congratulations.

Please accept the assurances of my highest regards.
